

MINI EPIC SHOOTER

This basketball arcade game is a hit with all ages, especially children. Simply insert the coin, press Start and the fun begins! With fast-paced, easy-to-play levels, it is ideal for shopping centres and family entertainment areas.

Both beginners and experienced players enjoy the challenge: just keep your stance, aim for the hoop, and every shot helps you improve. The machines feature a net, automatic ball return and durable designs that ensure hours of non-stop play.

Simple, fun and always exciting: the game everyone wants to play.
