

6 SEATS WARSHIP

6 Seats Warship is a virtual reality simulator that combines motion, immersive technology, and special effects to deliver a shared experience for up to six players. Its 360° visual system allows players to immerse themselves in different adventures and digital environments from a dynamic platform.

The seats feature 360° motion synchronized with the action in the VR content, while effects such as wind, smoke, and other physical sensations enhance the realism of each experience. Its electric system and highly stable design provide a dynamic and immersive gaming experience.
