

RESCUE WATER SHOOTING 4 PLAYERS

Rescue Water Shooting 4 Players is a water-shooting arcade machine that combines precision, speed, and action in an exciting monster-combat experience. Up to four players can participate, using water guns to aim at targets appearing on the screen and achieve the highest score possible.

The game begins by selecting the desired level, while the screen enhances the action with dynamic graphics and a variety of challenges. The greater the players' accuracy, the higher the score and the number of tickets awarded.

Its multiplayer format encourages competition and shared gameplay, turning every round into an active, fast-paced, and entertaining experience.
