

SHOOTING MASTER

Shooting Master is a shooting arcade machine that combines precision, reflexes, and speed. Players must aim at and knock down illuminated bottles before time runs out.

The system features automatic target reset using pneumatic technology, along with different difficulty levels, an LCD screen, LED lighting, and sound effects.

The single-player version can be connected to up to four cabinets to create multiplayer games, allowing players to compete in accuracy and speed in a dynamic and controlled experience.

SIZE: 500 × 400 × 250 CM (4 CABINETS)

POWER: 950 W
